Boise Conference: Ken, the Kabels, the Ritchies, Kathryn, and David Janssen

Boise Regional Conference

MARCH 9-10

Where did David Janssen get Joseph's coat of many colors at the Boise Regional?

Ken, Kathryn, and Pastor David Janssen (from Utah) conducted a regional conference at Lake Hazel Bible Church. David and Ken were the main speakers, and during seven sessions, they discussed some of the Lord's most difficult parables.

We also had two break-out sessions, one for the women led by Kathryn and one for the men led by Ken. Both groups discussed the Parable of the Good Samaritan. Some women suggested it would be great to have a women's conference in the future.

Boise Regional Conference

David has known many of the church's people for years. He spoke at the Sunday morning service. The church put on a superb lunch after the worship service. Everybody at the church made us feel at home. A special note of thanks goes to Brian and Jen Ritchie for hosting and feeding us for four days.

MARCH 10

My (Bob) gradual globetrotting through Genesis finally reached the last third of the book. I spoke on “The Great Sin of Simeon and Levi (Gen 34:1-31)” and “Suffering Preceding Glory for Joseph (Genesis 37).” It was great to see everyone again.

Lunch with Warren Wilke

Warren led me to faith in Christ in September of 1972. That was nearly fifty-two years ago now. Warren turned seventy-six the day after our lunch outing. I am eternally grateful to him.

Prayer Requests

Please pray for GES Board chairman Brad Doskocil, who is recovering from surgery to remove a toe and a blood clot in his leg. Also, please pray for our conference, three books we are trying to have in print by the conference, our radio outreach, and our regional conferences, including April 5-6 in Portland, OR, and May 3-5 in Milan (Italy).

We post short five- to ten-minute videos by Bob and Ken each Monday and Friday. Type in YouTube Grace Evangelical Society, and you see our videos.
