

## Vista Ridge Bible Fellowship Weekly Sunday School

I (Bob) have been discussing crucial words and phrases found in the Bible. It will probably take me a year to go through all of them. I plan to make this into a book when it is over. I manuscript the class each week so it will only be a matter of editing what I've already written.

The class has a small but growing in person attendance. We have between

five and eight people live. But there are another ten to fifteen people who attend via Zoom. We have people from Spain, the Philippines, Mexico, and various U.S. states. This is very encouraging. My thanks to Mike Lii for

handling the Zoom and filming. He is even putting some of the videos up on our YouTube channel.

Ken speaking at the Christian Chiropractors Association Conference

## Ken Spoke at the Annual CCA Conference

SEPTEMBER 26-28, 2024

I (Ken) spoke at the Christian Chiropractors Association national conference. Kathryn was able to go with me. She ran the book table and was a big help with all the technology. It was held at Christ of the Ozarks in Eureka Springs, Arkansas. The theme was the parables. I've spoken at a couple of these conferences in the past. It was great seeing everybody again.

I also met some new chiropractors that have since joined the group. It was great meeting them and talking with all of them about the Bible. Special thanks go out to Bob and Marsha Hultgren who were great hosts. If the Lord tarries, I hope we can do it again.

## YouTube Mini-Videos Continued Impact

Ken's October 17 video "Have You Heard the Sad Story of Paul Washer's Wife" had over 10,000 views in the first twenty-four hours! Check it out at YouTube Grace Evangelical Society. We now have 12,800 subscribers. We used to have about 500 to 1000 views on average in the first week. Now we typically have more than twice that in the first week. We are reaching lots of new people in this way. Check out the comment section too. Some GES people interact with those who come to our channel to explain why we are wrong.

# Dallas Regional Conference

OCTOBER 25-26, 2024

Bob Vacendak speaking at the Dallas Regional Conference

We met at Ridge Pointe Fellowship Church in Dallas. Speakers included Bob Vacendak, Steve Elkins, Mike Lii, Bob Bryant, Nicole Rossen, Trent Muller, and me (Bob W.). The topic was Free Grace and Eternal Rewards.

The messages and attendance were good. It was great to visit with Focused Free Grace friends.

## Podcast with Auzi

OCTOBER 9, 2024

Bob with Auzi (pronounced Ozzy)

Auzi is a twenty-three-year-old YouTube editor and creator from San Diego. I agreed to do an hour-long podcast with him when he was in Dallas. We covered Free Grace Theology from top to bottom. Auzi loves our daily podcasts and has recently read my book *The Gospel Is Still Under Siege*.

We had a great time doing the show, which should air sometime in November on his YouTube channel (Respectfully Inspired).

## Notes and Letters

I really enjoyed Bob and Ken's podcasts on Mark's Gospel. I sent all sixteen links to a friend of mine and I'm looking forward to discussing them with her when we next get together.

We're praying for the Lord to continue to use this ministry for His glory.

I just wanted to tell you, Bob, how much I love the book you wrote about repentance. This book has helped me understand so much. I am so grateful that you were able to put into words the complexity of some of these verses in a way I could understand.
