On October 25-27, Ken conducted a regional conference in the Dominican Republic. It was held at Grace Bible Church: The Faithful Remnant. Dr. Marino Monegro is the pastor and is a long-time friend of GES. The conference was on the book of Hebrews and concentrated on rewards. There were seven sessions, with a time for questions and answers after each. The conference was in Spanish and Ken White, a missionary in the DR, acted as translator.

The pastor and his family hosted Ken Yates. His son is Dr. Marino Martinez,

another long-time friend of GES. The conference was well attended, and if the Lord delays His coming, we are planning on doing another in the future.

Bob Debated Once Saved, Always Saved

NOVEMBER 10, 2024

I debated Steve Gregg on the Standing for Truth website, hosted by Donny Budinsky. It was a lively debate except for those times when Steve filibustered. It did not appear that Steve was prepared to ask me questions. I had made up a list of fifty questions I might ask him, so I never ran out.

It had 5,800 views in the first five days on Donny's YouTube channel and the first part of it had 1,278 views on the GES YouTube channel in the first four days. (We put it up about five days after Standing for Truth did and we cut it into multiple segments.)

Kathryn at Coppell (TX) Bible Church Women's Retreat

NOVEMBER 1-3, 2024

The women Kathryn spoke to at the Coppell Bible Women's Conference in Oklahoma

I spoke in Oklahoma to a group of seventy-seven women over the weekend of Nov 3. It was a retreat hosted by the women's ministry at Coppell Bible Church. I spoke on the Gospel of Luke, emphasizing the difference between

salvation and discipleship. I also highlighted the doctrine of rewards. A special thank you to Nicole Rossen, Marci Elkins, and the incredible ladies at Coppell. It was a wonderful time of fellowship and Bible study.

Ken at Tallahassee Regional Conference

NOVEMBER 1-3, 2024

I conducted a conference at the First Hispanic Baptist Church in Tallahassee, FL. It was on the book of Romans and was very well-attended. The emphasis was on how Romans does not teach Calvinism. Dr. Marino Martinez is the pastor of the church.

There were seven sessions during the three days. Ken also had the opportunity to have a panel discussion on Sat-

urday morning with around 15 church leaders in the area on FG theology.

Special thanks goes out to Marino and his wife Albanelly, who hosted Ken and Micaela Manley. Micaela ran the book table for the conference.

There are plans for another conference next year and doing one in Mexico.

NOVEMBER 17, 2024

Ken with Buzzy and Patsy Tippins at lunch after Bayside services

On Nov 17, I spoke at Bayside Community Church in Tampa, FL. They have two separate services each Sunday. I spoke on two of the parables in Mark 4 about the kingdom of God. In both, I pointed out that the kingdom of God will come when Christ returns. The

church is not the kingdom, and we are not in the kingdom now.

It is always great to visit Bayside. I have a lot of friends there. Special thanks go out to Don Rice and Harley Riedel. Thanks also to Buzzy and Patsy Tippins for taking me out to lunch.

I also met the wife and daughter of a national hero, General Norman Schwarzkopf. They were in attendance that Sunday. That was a real treat for an old army guy (Lt. Col. Ret.).

Notes and Letters

We're looking forward to the national conference in May 2025. We really had a great time at the Dallas Regional conference and at dinner and your home (Bob and Sharon's) afterward! —Jeff and Diane, letter

I just wanted you to know how much I enjoyed your debate on ETERNAL SECURITY between you and Steve Gregg (whom I was not familiar with). I thought your answers were excellent and very clear and Biblical, and presented in a very respectful way. So glad I was able to come across that debate. It's a Keeper!
